

Position: Construction Delay Claims Consultant

Reporting to: Regional Director

Location: Holmdel, NJ and/or New York City

Job Description:

CCI is a niche construction consultancy that offers a series of timeline analysis and cost evaluation services specifically for the global insurance market for high value claims up to \$1B. CCI has offices in New York, Chicago, Houston, Miami, San Francisco, London and Singapore.

CCI is expanding its US operations and recruiting for a Construction Delay Claims Consultant who will work in the Holmdel, NJ and/or New York City office. This is an exciting opportunity for a motivated individual who seeks an entrepreneurial environment where each team member is encouraged to contribute to the growth of the business. This position requires a minimum of 3 years professional experience in a construction/engineering discipline and a working knowledge of construction schedules and Primavera P6 software.

Role will include:

- Assessing the impact of insured events on the timeline of construction projects.
- Using Critical Path Methodology (CPM) schedule analysis and performing forensic analysis.
- Researching relevant construction project documentation.
- Organizing and evaluating complex project files.
- Preparing charts and assisting in the preparation of professional reports.
- Participating in networking and business development activities.

Requirements and Technical Skills:

- 3-7 years professional experience in construction/engineering.
- Bachelor's degree in Engineering /Construction Management or related subject.
- Background using Primavera P6 with the ability to understand scheduling software.
- High degree of proficiency with Microsoft applications (Excel/Word/PowerPoint/MS Project.)
- An analytical, problem-solving approach.
- Capacity to work independently, manage his/her time efficiently and show initiative where necessary.
- Solid verbal and written communication skills in English with the ability to draw clear, concise conclusions and communicate these conclusions to a high standard.
- Valid Driver's License and ability to work freely in the US without any restrictions.
- Willingness to travel occasionally to project locations in the US.

CCI offers comprehensive medical insurance, competitive market salary with performance bonus, 401K plan and the exciting opportunity to participate in growing the US business. To apply, please send resume with cover letter to recruitment@cci-int.com.

CCI is an Equal Opportunity Employer. All eligible candidates are invited to apply.
